Subject: Letter of Protest. Docket # 2018-361-S

To Whom It May Concern,

I am writing in regards to the recent notification we received (2018-361-S) Carolina Water, aka- Blue Granite Company about their request to increase my bill to conduct pumping of the interceptor tanks in my yard.

I am highly against this type of service as I am forced to use them specifically and am charged at a rate that they see fit. I maintain my tank and pay for the service by choosing the Company that has the best service and cost based on our financial situation.

This request the utility company to conduct any service, as well as cost as how they see fit without any choice to me as a consumer.

I appreciate your support and understand to turn down this request on behalf of the many consumers this this cost increase will impact.

Sincerely,

Reid R. Radtke
